## **WHAT WE DO**

- ✓ **HVAC Services**
- ✓ **BUILDING Automation and Electrical**
- ✓ **ESSENTIAL Services**
- ✓ **FIRE Protection**

*Noppen Group* is 100% Australian owned.

*Noppen Group* provides service, maintenance, design, installation and certification of HVAC, BMS controls, Essential Services and Fire Protection.

Integration of all services gives *Noppen Group* the ability to provide our clients with a complete mechanical and essential services package.

Over the last 18 years we have established ourselves as a leader and preferred supplier through continual improvement, innovation and professionalism.

***Noppen Group*** are certified to:

- ✓ ISO 9001:2008 Quality Management Systems
- ✓ OHSAS 18001:2007 Health & Safety Management System
- ✓ AS/NZS 4801:2001 Safety Management Systems
- ✓ ISO 14001:2004 Environmental Systems

## **WHAT DIFFERENTIATES US FROM THE OTHERS**

With the majority of companies going down the route of subcontracting all but the most menial tasks, we at *Noppen Group* have opted to do the opposite.

At ***Noppen Group*** we differentiate ourselves from the others by being able to offer the majority of services in house, performed by our own technicians not subcontractors. Our clients only deal with ***one point of call***.

We establish long lasting relationships with our clients by ***Creating Solutions*** to manage and maintain their assets and certification needs so as to enable our clients to concentrate on their own business.

## **SERVICES**

Our focus is to manage our clients' assets so that they can concentrate on their respective roles without the added worry of managing the comfort conditions, energy requirements and certification of their modern commercial buildings and industrial sites.
